### **DINING HOURS**

Friday – Saturday: 11AM – 12AM

*Napoli was established in 1976 by brothers Emilio and Leo Sposito. They had moved to Ithaca from Fondi, Italy to pursue their dreams, and eight years after arriving, they accomplished that dream by opening Napoli's doors to the public. Together they operated Napoli until Leo's retirement in 2003. The following year, Emilio moved the restaurant to its current location in the Gateway Plaza.*

*From the beginning, their plan was to create as authentic Italian experience that takes customers to Italy through the taste of their food. The atmosphere has the constant aroma of homemade dishes made from family recipes, such as our sauce, meatballs, sausage, and lasagna. All sauces and dough are prepared fresh daily. To this day we strive to live up to the standards Emilio and Leo set. Napoli maintains high customer volume through word-of-mouth marketing regarding consistent quality food and service. And to this day is one of Ithaca's favorite Italian restaurants and pizzeria.*
